## WNE-PHA Equitation Classes and Medals

Open to current junior and/or adult amateur members of the WNE-PHA. The equitation class preceding the medal final is intended as a class for entrants competing in the medal finals only. Riders must have accumulated 5 points or more in their respective Medal class in the current qualifying period to be eligible to compete. The current qualifying period is October 13, 2008- October 10, 2009. Please check [www.wnepha.com](http://www.wnepha.com) to view current Medal points standings.

### WNE-PHA Horsemanship Class

Open to current junior members of the WNE-PHA who are qualified for and competing in the 2009 Medal Finals at any level. The class will be judged and pinned as three separate classes based on show age of participant: 12 yrs and under, 13-15 yrs, and 16-17 yrs (regardless of Medal Finals show level).

There will be two portions to the score of each participant: the numerical score (out of 100 possible points) from the Equitation O/F class preceding the Medal Finals for which the participant is qualified and competing in (Class 1,3,10 or 12) will be added to the score (out of 100 possible points) earned on a written, multiple choice quiz administered before Class 8, Adult Equitation over Fences.

The questions on the quiz will be based upon the United States Pony Club D Manual for the 12 yrs and under section and the United States Pony Club C Manual for the 13 to 15 yrs section. The United States Pony Club B/HA/A Manual will be used for the 16-17 yrs section. Pinning of each section will be based on the sum of the two scores described above for each participant. Participants MUST pre enter on their regular Finals entry form.

### Junior/Amateur Hunter Classic

Open to current junior and adult amateur members of the WNE-PHA. The class will be run as a two round classic, and will be judged on performance and soundness; suitability and manners to count. To be scored under the open numerical judging system. Each competitor will jump one round of 8-10 fences at 2'6. The top ten from the first round will return to show over a different course, in reverse order of their scores in the first round. Scores will be combined from both rounds to determine the winners. Trophy and eight ribbons to be awarded.

### Child/Adult Jumper Classic

Open to current junior and adult amateur members of the WNE-PHA. The class will be run in two different height sections- the low section will run at 2'6, and the high section at 3'. The class will run as a Table II.2a Time first Jump-Off. Horse and rider combinations may only enter the low, or high section; not both. There will be a posted order of go, drawn by random order. Trophy and eight ribbons to be awarded for each section. Special thanks to White Horse Hill for donating electronic timers.
